Developing Literacy Partnerships is an education program for parents and classroom helpers. It is particularly relevant for parents of children in grades Prep to Two. The program runs over three sessions and helps participants to understand literacy development, to learn about strategies used in the classroom and to more effectively support children’s literacy development. The understandings gained also provide ideas for fostering children’s learning in general, at school and at home.

Program:

Session 1  Wednesday 23rd March  
Understanding Learning, Speaking and Listening

Session 2  Wednesday 30th March  
Understanding Reading

Session 3  Wednesday 6th April  
Understanding Writing, Classroom Helpers

Time: 2:00 p.m. to 3:30 p.m. in Mrs Farrell’s Portable (1/2B classroom)

Please complete the reply slip below and return it to school by Friday 18th March

Glenda Farrell

ATTENTION: Glenda Farrell 12B

I would like to participate in the Developing Literacy Partnerships program.
