WORKING BEE
The Working Bee this weekend is one that will result in a wonderful new and interactive play installation for the children. The space has been designed by Juliette Hirons and in part funded by some Telstra funding accessed by Lino Crivelli. We thank both of these parents and all others involved.
We need many volunteers to help install the play space ready for the children to enjoy next week. Join us on Sunday from 9am. Please let the office know if you will be attending for catering purposes.

LUNCHTIME CLUBS
The lunchtime clubs of Sport, Lego, Drama and Chess are still operating each week for those children who wish to join in. It is certainly a wide variety of options which caters for a range of preferences. Naturally, the vast majority of children choose to run and play in the yard.

UPCOMING EVENTS TO PLAN FOR
Term 4 will be a busy term.

SWIMMING
The swimming program will be running for both the Junior and Senior students. Notices will be sent home shortly to enable parents to use a payment plan if required. Final costs are yet to be settled but is expected to be somewhere between $100 and $130.

CIRCUS
Our main event this year will be a performance event, Circus. This is an event we have run before and has been enthusiastically received and enjoyed by our community. In fact we are returning to the program at the request of families who have seen the benefits of the program before. The program will include 10 training sessions with professional circus performers and culminate in a whole school performance at Box Hill Town Hall in December.

The 10 specialist training sessions, rehearsals and performance including a limited number of show tickets
will come at a cost to families. Naturally, we will keep costs as low as possible. Further information will be sent out as soon as possible so that families can plan ahead.

NEW BABY
Congratulation to Kim (Kinder Teacher) and David on the arrival of their daughter, Mae Enid Milne, on 9 July weighting 8lbs. We look forward to meeting Mae soon.

COMPASS
We are in the process of establishing and training staff in COMPASS software. This will be a communication portal/App. This will begin with providing absence notes, newsletters and eventually all notices including excursion notes will be distributed through the App. Payments, permissions and other communications will ultimately be able conduct through the portal. This is a process used by all secondary and some primary schools in the area. Those in our community who have children in secondary school have been encouraging of us implementing this option as they find it very convenient and user friendly.

Payments
Please remember that all accounts need to be paid in full each fortnight.

Cancellations
If your family has a permanent booking at OSHC and your child is NOT going to attend, for any reason, please cancel the booking by sending a text to 0403 197 821. It would be appreciated if this could be done as early as possible or if on the day by 8:00am for morning bookings or 2:00pm for afternoon bookings. Cancellations affect both staff numbers and catering so prior notification is very important. Please note there is a ‘Failure to Cancel’ fee that is $14.00 per child for morning bookings and $20.00 per child for afternoon bookings. This fee will only be charged if OSHC is NOT notified.

Managing your Child’s Worries
Learning to cope with anxiety and fear is a normal part of a child’s development.

Whilst it's estimated that between 10 and 20 percent of children and adolescents will experience significant anxiety at some time, it is important to note that most cases are short lived. Recognising and managing anxiety, as well as possible, enables children to gain knowledge, skills, confidence and a sense of power in managing their own worries.

In this forum Michelle Grebler the CEO of Anxiety Recovery Centre Victoria will cover:
- Understanding anxiety and normal childhood development.
- How personality and environment contribute.
- The signs and symptoms in your children.
- Methods and strategies to teach your children.
- Where to go for more information/help.
