Term 2

PRINCIPAL’S REPORT

WORKING BEE
We are planning a working bee for Sunday 24 July to install an interactive play area near the Gymnasium. Any help they you are able to offer would be greatly appreciated. A separate notice will be sent home today and we hope to see plenty of helpers on the day.

MRS GARDINER
Mrs Bonnie Gardiner will be going on maternity leave at the start of next term. We extend our best wishes to Bonnie and her husband Matt as they await the birth of their first child.

We will be welcoming Mrs Peta McDonald to our school next term to take over the teaching of our Science program.

MUSEUM IN MOTION
Last Wednesday night the students in 5/6 displayed their work at the Museum in Motion. The students showcased their dioramas and knowledge for all who visited to enjoy. The dioramas are currently on display around the library and classroom area and are certainly worth seeing. Thank you to the parents and friends who visited and well done to the students and staff.

END OF TERM 2
The last day of Term 2 is this Friday, 24 June. The children will be finishing at 2:30pm. If you need OSHC please contact Karen on 0403 197 821 urgently as the program fills up fast.

School resumes on Monday 11 July. Have a safe and fun holiday!

Pirate Day!

Shiver me Timbers!

What a great turn out of Pirates on Pirate Day!

We were able to raise $484 during the week to go towards Childhood Brain Cancer.

Children dressed up as Fancy Fairy Pirates, Bountiful Buccaneers, Fabulous First Mates and Courageous Captains.

Thank you to everyone who participated on the day!

‘MUSEUM IN MOTION’

Australia’s history came alive last week at the ‘Museum In Motion’!

The Grade 5/6 classroom last week was transported back in time where many of Australia’s pioneers and important decade in times were on display.

Visitors to the ‘Museum in Motion’ had the opportunity to meet and ask questions from a number of pioneers from Australian history, who made significant contributions to our country and saw how the key events in Early Australia helped shape Australia.

All the students worked extremely hard during this term and their hard work was appreciated by all visitors who witnessed the showcase in the ‘Museum in Motion’.

A BIG thank you too all students, friends and families who came to visit.
